A Traditional Lion Dance! Will be performed!*

The Lion Dance

is a traditional dance and is popular in Chinese culture, in which performers mimic a lion's movements in a lion costume.

The Lion is regarded as a creature of good omen which brings good luck and fortune to those witnessing the dance.

The dance requires athleticism, skill and speed and is associated with the practise of martial arts. For tonight, the practitioners of Lau Gar Kuen led by Jason Crabtree will be performing the dance. Please offer him and his team your support and help the Lion roar! Welcoming the New Year!

Everyone at the Dragon Palace would like to Thank You all for your support, we are humbled and privileged to have you as our guests
